### MEN'S GOLF ASSOCIATION NEWS

The Board is excited about this coming year and has plans for new tournaments, changed formats and many opportunities to have fun and make a few \$\$.

We will have two events per month in addition to our tournaments. You can play in your usual games as long as you play with at least one other MGA member and then turn your attested scorecard into the Pro Shop for eligibility/verification.

We also have changed the World Series of Golf. Check the bulletin board in the locker room for all details.

We look forward to new ideas from Members, creative suggestions and even complaints. Let's make this our first 300-member year! Join and become a part of the MGA team, you won't be disappointed.

Thanks for your support.

Jim Lane - Chairman MGA

Do you need two good reasons to refer your friends, neighbors or business associates to the Club for Membership? Well, here they are:

- The Initiation Fee for Golf will increase on April 1.
- We expect to be on a wait-list for new Golf Members by early summer.

Call the Membership Department today and start enjoying the company of your friends.

### LOOK WHAT'S NEW!

The Pro Shop is carrying some new lines such as: Johnston and Murphy shoes, both golf and dress; Descente for men; Ashworth for ladies; and Jamie Saddock for ladies.

### PRO SHOP SALES

St. Patrick's Day: March 17th and 18th

Daylight Savings: April 1st (No, this is not April Fools!)

Huge savings on Seasonal Merchandise!

Merchandise will be marked down drastically. Shop from sun up till sun down. The Shop will stay open until dark.

JIM McLEAN

The 2001 golfing season is in full swing. While the amount of play is steadily increasing, we hope that your golf scores are decreasing. If this is not the case, the Jim McLean Golf Academy would like to welcome your family to our world-class facility, in particular, to our incredible junior program.

Our "A" Team program is for the serious junior golfer wanting to take their game to the next level and working towards playing college golf. The After School Juniors is for those new to the game.

This summer we are extremely excited to be able to bring our extraordinary junior programs back to Weston Hill. The programs include our Elite Junior Camps and our special weeklong camps. Last year was great! We had over 300 participants and we anticipate this summer to be even greater. It is our goal to provide to you the best junior program in the state of Florida. Come out enjoy a fantastic learning experience.

We have a wonderful new device in our ever-growing toolbox this year from Snag Golf. You won't believe how much your junior will enjoy this new introductory program. Come by and let one of our Master Instructors show you this fantastic new program. It is the best learning system that Jim McLean has seen for the new golfer.

Call the Academy today at 384-4663 for all the details on our Junior Programs, adult clinics, group and private lessons. Hope to see you soon!
